THEIR STORY

BRIDE Erin Roth, 34, content producer at Travelzoo **GROOM** Ryan Mara, 35, product manager at IBM **HOW THEY MET** Ryan trained her on her first day as a waitress at a restaurant **WEDDING STYLE** Erin and Ryan used earthy shades of burgundy and taupe to complement their scenic waterfront fete. —NR

“We chose Lake Tahoe because it was where we met 10 years ago,” Erin says of their intimate celebration. After Erin and Ryan exchanged vows (he sang his to her!), guests sipped cocktails and enjoyed the view on the estate’s wood pier.

Pinecones, berries and eucalyptus garlands ran the length of the couple's massive head table. "It sat 50 people," Erin says. Place settings included dark wood chargers, all-white plates, green linen napkins and a single sprig of rosemary placed with each menu.

Wine barrels doubled as cocktail tables while printed pillows popped against vintage lounge furniture. As for Erin's many bridesmaids, they paired the mocha-colored dresses with strappy gold heels and wedges. "I chose a convertible dress, so everyone wore styles in which they were comfortable," Erin says.
