THEIR STORY

BRIDE Katie Wee, 26, an actress **GROOM** James Keefe, 27, a commercial real estate broker **HOW THEY MET** At UCLA as undergrads **WEDDING STYLE** Katie and James opted for a natural, undone look using a vibrant color scheme of coral, raspberry, hunter green and gold. — *Rachel Sylvester*

Beaded chargers, sage napkins and light gold runners added a subtle pop of color to the wood farm tables at the couple's waterfront reception. The centerpieces echoed the natural feel of the bridal bouquet with pink peonies, blush dahlias and hypericum berries placed in rectangular vases. "I wanted to use shades that would match the intensity of the lake and trees," Katie says.
